CHAPTER 3: Contract Archaeology.....	45
Contract Objectives.....	46
Levels of Research.....	46
Phase 1.....	47
Phase 2.....	47
Phase 3.....	47
Breadth of the research report.....	49
Archaeology.....	50
History and ethnohistory.....	50
Architectural history.....	50
Natural history.....	50
Subcontractors.....	53
Multiple contractors.....	54
To Whom is the Archaeologist Responsible?.....	54
The Public.....	55
Agencies	55
Property owners.....	55
Construction foremen and contractors.....	56
Local scholarly societies.....	56
Political action groups.....	57
Public media.....	57
Indians real and imitation.....	58
Professional colleagues.....	58

CHAPTER 4: The Contract: Getting your Foot in the Door and Doing the Job.....	61
Local contracts.....	64
Government contracts and jobs.....	65
Preparing the proposal.....	66
"Requests for Proposals".....	69
Submitting a proposal.....	70
Budgeting	71
Labor.....	73
Living expenses in the field.....	73
Travel costs.....	74
Equipment.....	74
Expendible supplies.....	75
Laboratory expenses.....	75
Contingencies.....	75
Overhead.....	75
Distribution of report.....	76
Efficiency will be cost effective.....	77
Effective crews.....	78
Preparing the crew.....	78
Public relations activities.....	80
Mechanization.....	81
Cataloging and laboratory work in the field.....	81
Using a computer.....	81
Disposition of collections and data.....	82
Publication of the report.....	84
Managing the contract project.....	87
Keeping track of the money.....	87
Deadlines.....	90
Laws and policies.....	92
Reviewers.....	94

Internal reviewers.....	94
External reviewers.....	94
CHAPTER 5: Ethical Considerations: Honesty? Or Take the Money and Run?.....	99
Protecting the rights of the researcher.....	100
Scholarship versus advocacy.....	101
Confidentiality.....	106
Conflict of interest	108
Gossip and slander	110
The problem of significance and value.....	111
Cost/benefit considerations.....	117
The National Register of Historic Places.....	118
CHAPTER 6: Intellectual Considerations: Will this Advance my Standing as a Professional Archaeologist?.....	125
Final comment.....	129
APPENDIX	131
Sample letter of application.....	133
Sample resume.....	135
Sample invoice form.....	138
Sample letter to employer or property owner.....	140
Budget proposals	143
Costs of excavation.....	144
